A photograph of a luxurious outdoor living area. In the foreground, a dark green hot tub is partially visible. Behind it, a wicker sofa with white cushions and a teal throw pillow sits on a brown rug. To the left, two white robes hang on a rack against a dark wall. The room is illuminated by warm string lights and a large window with white curtains and a sheer light-colored curtain. Outside the window, a patio area with a lounge chair and trees is visible. A white line with a circle at the end points from the text to the window area.
